

*See first-hand how
expanding your feedlot
can be done.*

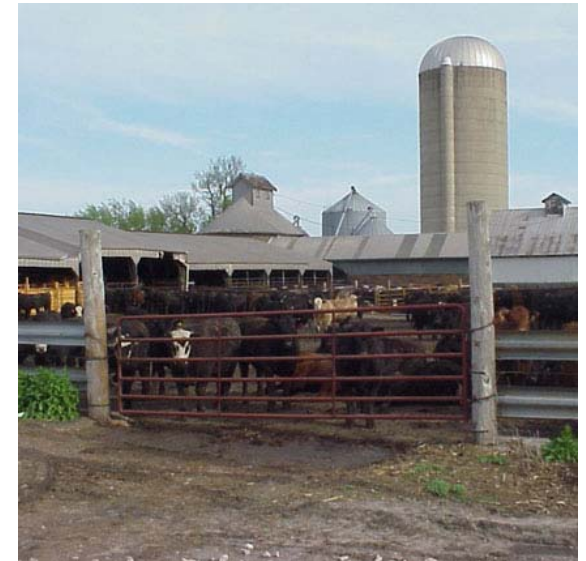

With tight profit margins, rising costs, and daunting environmental regulations, growing your feedlot operation might seem next to impossible. Not so! Visit and learn from Bill Couser and personnel from Iowa State University Extension who will show you how Couser Cattle Company has put Alternative Technologies for Runoff Management to use and to meet DNR & EPA requirements.

*Join us immediately after
the conclusion of the ICA
Summer Conference!*

After attending the Iowa Cattlemen's Association's Summer Conference on June 15 and 16, drive 10 miles to Couser Cattle Company. Lunch is on us!
