

# Presenters

**Dr. Kip Lukasiewicz** is a practicing veterinarian at Production Animal Consultation. His practice includes feedyard consulting focused on production animal medicine and cattle facility design that promotes low-stress handling and cattle welfare.

**Dr. Beth Doran** is an Extension Beef Program Specialist serving 17 counties in NW Iowa. She gives leadership to beef programs and research impacting feedlot, cow-calf and agri-business operators.

**Grant Dewell** is an Assistant Professor & Extension Veterinarian in the Veterinary Diagnostic & Production Animal Medicine unit at the ISU Veterinary Medicine College. Grant works with Iowa feedlot & cow-calf producers on production medicine issues.

**Doug Bear** is the Director of Industry Relations for the Iowa Beef Industry Council. Doug has primary responsibility for the Beef Quality Assurance Program and governance of the Beef Checkoff.

## Low Stress Animal Handling Improves

- ◆ Consumer Confidence!
