

CATTLE IN THE GREEN

Financially analyze your livestock/farm operation in a different way, to find more profit, eliminate money pits, and lower your stress level.

5 Part Series:

**February 24th, March 3rd, 10th, 17th & 24th
at the Robert's Memorial Building, Keosauqua
from 5:00 to 8:00 p.m.**

**"I wish every one of
my ag loan clients
would take this
course!" ~ Ag Lender
and course
attendee**

This course was developed from a week-long professional development school Patrick Wall attended in Colorado. Just by making a few simple management changes the operation was able to eliminate the operating note and enhance the profitability of the cow calf enterprise.

The registration fee is \$50. Van Buren County Extension is offering \$50 scholarships to the first 10 Van Buren County residents who register and attend all 5 workshops. Upon completion, the \$50 registration fee will be reimbursed. We ask for commitment to all five sessions because the classes build upon each other. A light meal will be served each session.

Registration is required by February 19th. To register, contact the Van Buren County Extension Office at 319-293-3039 or email Nancy Carr at nancarr@iastate.edu.
