

Weed and Brush Management Field Day

Wednesday, June 22, 5 to 8:30 p.m.

West Picnic Shelter at Lake Icaria, Corning

PRESENTERS

Scott Flynn, Ph.D. from Dow Agri-Sciences

ISU Extension and Outreach field agronomist Aaron Saeugling

ISU Extension and Outreach beef program specialist Joe Sellers

AGENDA

Introductions, review evening plans

Carpool to Tony Mullen's farm to view no-tilled soybeans following rye cover crop

Go to Lake Icaria sites to see *Sericea Lespedeza* and the control of other problem plants

Return to Lake Icaria shelter: ribeye steak sandwich meal prepared by Adams County Cattlemen

Discussion and Q&A on weed and brush control

For more information, contact Joe Sellers at 641-203-1270, sellers@iastate.edu

Directions to Lake Icaria: go north from Corning on Highway 148 approximately four miles to 183rd Street, also known as the Carbon Corner. Go east (right) approximately 3/4 mile to the intersection of Juniper Ave and 183rd street. This is the entrance to Lake Icaria Beach, Marina and Camp Ground. Go north (left) on Juniper Ave past the Camp Ground and past a Park Rangers house. Just past a 15-mph-sign there is a "Y" in the road. Go right on Juniper and very shortly there will be another "Y" in the road. Turn left to go to the main picnic area. We will meet at the West Picnic Shelter at 5 p.m. and try to carpool before driving to the other two locations.

Sponsors: Southern Iowa Forage and Livestock Committee, Adams County Cattlemen's Association, Iowa State University Extension and Outreach
