

Grassroots Grazing 2016

A grazing management series for beginning and young livestock producers

Second of three-part series

May 26 • Corning • 6:30 P.M.

Tony Mullen farm 45249 170th Ave

Topics:

- **Nutritional value of ryelage**
- **No-till soybeans next crop, yield prospects**
- **Use of cover crops in a beef cow operation**
- **Rye stand to be chopped and bagged late May/early June**

For beginning and young livestock producers, but anyone interested in basic grazing management is welcome. Resource materials available with support from NRCS, Southern Iowa Forage and Livestock Committee and the Adams County Cattlemen's Association.

Doughnuts and water provided at the farm. Preregistration is encouraged by contacting Joe Sellers by phone 641-203-1270 OR Chris Clark at 712-250-0070 OR Brian Peterson at 641-344-1026

Directions to the farm: go north from Corning on Highway 148 approximately four miles to 183rd Street, also known as the Carbon Corner. Go west (left) one mile on 183rd Street to Holly Avenue and turn south (left) approximately ¼ mile. There's a farmstead with a white house on the east (left) side of the gravel road. Drive through the farmstead to the machine shed.
