

# Grassroots Grazing 2016

*A grazing management series for beginning and young livestock producers*

First of three-part series

**March 22 • Chariton • 6 – 8:30 PM**

**ISU McNay Research Farm**

45249 170th Ave

## Session 1 topics include

- **Setting goals for your grazing operation**
- **Comparing various grazing systems**
- **Controlling cow feed costs**

*Future sessions include pasture walk and meetings. Designed for beginning and young livestock producers, but anyone interested in basic grazing management is welcome. Resource materials available with support from NRCS, Lucas County Extension and Outreach, and the McNay Research Farm*

Meal is provided. No charge for this session, but preregister by Monday, March 21.
