The clinics will be hosted by ISU Extension field specialists with topics related to beef cattle, forage, and watering systems. The program will be 2-3 hours with a meal included. Each clinic will be interactive and include a resource guide.

Please RSVP with the local county extension office if you plan on attending.

Iowa State University Extension and Outreach programs are available to all without regard to race, color, age, religion, national origin, sexual orientation, gender identity, genetic information, sex, marital status, disability, or status as a US veteran. Inquiries can be directed to Director of Equal Opportunity and Compliance, 3280 Beardshear Hall, (515) 294-7612. Fees for service will be used to offset direct expenses and to support the Agriculture and Natural Resources programming in the county Extension program.
