Directions

Iowa State University McNay Research Farm

Six miles southwest of the Chariton Airport (West from Chariton on Hwy 34, and south on county gravel road)

Or four miles south of Lucas on Hwy 65, and east on county gravel road.

Both routes are marked by permanent signs. Call 641-774-2016 or 641-766-6465 for details.

I would like to invite you to attend the eighteenth “Update for Veterinarians” sponsored by Iowa State University Extension and ISU’s Experiment Station. Discussions with local Veterinarians identified topics for this year’s event. We have attempted to incorporate those ideas into this training at the McNay Farm.

This program includes several topics of specific interest to beef practitioners. We have included presentations from specialists from Iowa State University & from the University of Missouri for this year’s program.
