## Three-State Beef Conference

University of Nebraska – Lincoln • Iowa State University • University of Missouri

# ***NEXT-LEVEL MANAGEMENT STRATEGIES FOR BEEF COW-CALF OPERATIONS***

- **Beef bull development and longevity**
- **Marketing and risk management options and strategies for beef cattle producers**
- **Do your cows fit your environment?**

*January 11, 2022 - Greenfield, IA*

*January 12, 2022 - Stanberry, MO*

*January 13, 2022 - Ithaca, NE*

## About the Conference

For 37 years, the Three-State Beef Conference has provided beef cattle producers in Iowa, Missouri and Nebraska an annual update on current and critical cow-calf and stocker topics affecting producers in the three-state area. Attendees have the opportunity to hear from specialists at three top-notch land-grant universities, as well as other industry experts.

**Pre-registrations are appreciated by Friday, January 7, 2022. The registration fee is \$25 per person.** It includes a meal and a copy of the conference proceedings. Calling or emailing with your reservation helps with meal plans and keeps costs down.

For those who can't attend the conference in-person, a recording will be available for later viewing for a fee of \$5. Please contact us if you're interested in this option.

If you need accommodations because of a disability, have emergency medical information to share, have dietary restrictions or needs or need special arrangements in case the building must be evacuated, please inform us immediately.

For more information, contact your local university extension office.

## Agenda

- 5:30 p.m. Registration begins
- 6:00 p.m. Beef bull development and longevity—*Dr. Carl Dahlen, associate professor, animal sciences, North Dakota State University*
- 6:45 p.m. Dinner
